

Canfield Gridiron Club

Dear Cardinal Football Parents,

Welcome to Canfield Football 2011. We are very excited about how hard the boys are working in the off season getting ready for the 2011 season.

The Canfield Gridiron Club is one of the main supporters of Canfield Football, and without the support of our football parents we would not be able to accomplish or provide the things we do for our football program. The reality is we need to get all our parents involved to help give our boys have a great experience.

Please consider becoming involved and joining the Canfield Gridiron Club. Dues are \$10.00 per person. We meet the first Monday of the month from December thru August . During the season we meet every Monday and we are very fortunate to have our own Coach Pavlansky, with us at these meetings to review the previous week's game films and answer questions about the upcoming game.

We have a new fundraiser; our first annual TD Reverse Raffle Dinner that we hope will become a social gathering for all friends of the program. The dinner will be April 1st at the Maronite Center. We need plenty of help selling tickets and making this the premiere event for Canfield Football.

We have several other ways to get involved with various committees. We need your help. Please sign up for committees where your talents will best be utilized.

We will keep you abreast of upcoming events through our communications but we urge you to use our website canfieldfootball.com as the nerve center for the Gridiron Club.

Please don't waitJoin now.... We need and want your support. We are encouraging all parents, former players and Alumni to get involved and give the boys the support they deserve and need to be successful. These boys represent our whole community.

Canfield is a unique community made up of parents who graduated from all over the area. We need to build upon the foundation of excellence established by the parents and students before us and create our own traditions. This will only happen when we all take ownership of the program and give them our support. By bringing team and community together we can make Friday night at Canfield High School the place to be during the fall to see two of the most treasured resources perform; Our football team and our band.

We look forward to meeting new friends and working together to achieve all of our goals.

Canfield Gridiron Club
